our Christmas
appeal

This Christmas why not give the Gift of Regular Giving and continue to make lives brighter.

Regular Giving is vital in supporting our work with communities in Kenya. Your regular donation will bring stability, greater impact and brighter futures.

We have been working in partnership with communities in Kenya since 2002. Giving to our Christmas Appeal will help fund programmes on health, education, access to clean water and increasing household incomes.

- Please donate online, via Facebook or post to our office in Midleton*
- Find a unique Kenyan gift from our range of crafts online or from one of the craft fairs we will be attending
- Download our Christmas toolkit for ideas all the family can get involved with
