#### **KENYA 2005 BALL**

The Kenya 2005 Ball was held in the Rochestown Park on Saturday, April 2<sup>nd</sup> 2005. The Deputy Lord Mayor, Mrs Mary Shields and her husband Michael were the guests of honour. Music was by the Groove Orchestra. A fantastic night was had by all. The total amount raised for our projects in Kenya was €7500. Thank you to all who attended the ball. Thank you to Rose O Driscoll who organised the evening. Looking forward to next year already!

## HARAMBEE 2005

Preparations for our Harambee 2005 project are well underway. Our team has attended four training events to date, and our last training weekend is on May 21<sup>st</sup>. We have covered such topics as culture, health, language, building, summer camps, peer education, mini clinics, team building, manual handling and much more. The excitement is building now, and we will spend our next training day in May packing our equipment bags for the trip.

We have a fantastic group of people on our team, and are looking forward to a great summer!

The Kenyans are preparing for our visit as well. The dam in the forest is in the process of been built so the water project will be ready to start in Ndubusat. We have made contact with a company in Nairobi to supply our water tanks and guttering for the water project in Lelsothet, so this process is underway. The Bethel Medical Centre is awaiting final approval from the Ministry of Health in Kenya. This will be granted once the essential equipment is purchased. We hope to do that in the coming weeks. Once approval is granted, our immunisation programme will commence. We are currently working on purchasing and transporting all materials needed for the building projects. This is our biggest challenge to date! The rains have come in Kenya and so it is difficult for trucks to move in the mud. We hope to have the materials on site during the month of May.

The books and computers that we were donated are in the process of been shipped to Kenya to arrive before our first project team arrives. This is a long process, but we have learned a lot for future shipments.

Our project fundraising is going well – thank you to everyone who has supported this project. Without you we could not go ahead with our plans!

The first members of FOL will leave Ireland on the 18<sup>th</sup> June, followed closely by the first project team on the 25<sup>th</sup> June. We will be working in Kenya until the 5<sup>th</sup> of September.

We will update our website (www.friendsoflondiani.com) on a regular basis with project progress, and in October we will publish a newsletter with the project details. Thank you all for your ongoing support of our projects in Kenya
